

S.S. PURELY VEGETABLE

Fact that S. S. is a purely vegetable preparation, containing not a trace of mineral in any form, has been one of the strongest in its favor during its forty years of existence. It is recognized as not only as the best of all blood purifiers, but the one medicine taken with absolute safety by the youngest child or the oldest of the family. Next in importance to removing the cause of any condition in which the system is left after a course of medical treatment, is the removal of the cause of the disease. S. S. is often found to permanent injury by eating out the delicate lining and the stomach, producing chronic dyspepsia, unfavorably affecting the blood and giving better and more lasting results than any other medicine. S. S. is the very best treatment for Rheumatism, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison, and all other diseases due to an impure or poisoned blood supply. Besides being a blood purifier S. S. is the best and most invigorating of all.
